Technical Date Sheet of Phenolic Resin 803-L

Chemical name: p-t-butyl phenol-formaldehyde resin 803-L
CAS NO.: 25085-50- 1

Technical Data of Phenolic Resin 803-L:

Items	Specifications
Color (Gardner method)	≤7
Softening point, °C	145~160
Acid value, mgKOH/g	45~160

Application:

1. All solvent-based adhesives
2. Grafted CR adhesives
3. Hot melting adhesives and tapes
4. Senior sole adhesives, etc..

Package:

In 25kg bags.

Storage:

Stored in a dry ventilated area.
